

Certificate of Compliance

Type Approval

Issued to: NUPIGECO SpA, Via dell' Artigianato, 13, I-40023 Castel Guelfo di Bologna, Italy.

Product range: Ecosmart product range

This certificate covers only those items listed on the attached page/s.

Applications: Positive pressure and vacuum suction delivery, vent lines, fill pipes, and vapour recovery.

This is to certify that samples of the items listed on the attached pages have been tested by ERA Technology Ltd and have been found to comply with the requirements of the following standard for initial type testing:

EN14125:2004 Thermoplastic and flexible metal pipework for underground installation at petrol filling stations

NOTE 1: This certificate should only be reviewed or reproduced in full.

NOTE 2: This certificate remains the property of ERA Technology Ltd. ERA reserves the right to withdraw or revise it following written notification to the issue. Any revision is indicated by a change in certificate number.

NOTE 3: Compliance with the requirement for permeability is based on tests of 16 months' duration. Approval is subject to the permeability remaining within the specified limits.

Conditions on the validity of this Certificate:

Certificate prepared by :

N J Blackman
Engineer

Certificate approved by :

Alan Friday
Head of Materials and Design

Certificate number : BC66/2009-0213/001 Dated : 14th April 2009

ERA Technology Ltd, Cleeve Road, Leatherhead, Surrey KT22 7SA, UK
